“Staff” covers ALL adult staff on site, including temporary, supply and ancillary staff, and volunteers working with children

1.4 All staff believe that our school should provide a safe, caring, positive and stimulating environment that promotes the social, physical and moral development of the individual child.

1.5 The aims of this policy are:

1.5.1 To support the child’s development in ways that will foster security, confidence and resilience.

1.5.2 To provide an environment in which children and young people feel safe, secure, valued and respected, feel confident and know how to approach adults if they are in difficulties.

1.5.3 To raise the awareness of all teaching and non-teaching staff of the need to safeguard children and of their responsibilities in identifying and reporting possible cases of abuse.

1.5.4 To provide a systematic means of monitoring children known or thought to be at risk of harm, and ensure we, the school, contribute to assessments of need and support plans for those children.

1.5.5 To acknowledge the need for effective and appropriate communication between all members of staff in relation to safeguarding pupils.

1.5.6 To develop a structured procedure within the school which will be followed by all members of the school community in cases of suspected abuse.

3.0 Responsibilities

- 3.1 We understand that our responsibility to safeguard children requires that we all appropriately share any concerns that we may have about children.
 - 3.1.1 We have a Designated Senior Person who is responsible for:
 - 3.1.2 Referring a child if there are concerns about a child's welfare, possible abuse or neglect to Social Care. A written referral using the Common Referral Form will be faxed/posted/emailed to Social Care as soon as possible within the school day.
 - 3.1.3 Ensuring that detailed and accurate written records of concerns about a child are kept even if there is no need to make an immediate referral.
 - 3.1.4 Ensuring that all such records are kept confidentially and securely and are separate from pupil records, with a front sheet listing dates and brief entry to provide a chronology.
 - 3.1.5 Ensuring that an indication of further record-keeping is marked

on the pupil records.

- 3.1.6 Acting as a focal point for staff concerns and liaising with other agencies and professionals.
- 3.1.7 Ensuring that either they or another appropriately informed member of staff attends case conferences, family support meetings, core groups, or other multi-agency planning meetings, contributes to the Framework for Assessments process, and provides a report which has been shared with the parents.
- 3.1.8 Ensuring that any absence of two days, without satisfactory explanation, of a pupil currently on the child protection register is referred to their Education Welfare Officer and/or Social Worker
- 3.1.9 Ensuring that all school staff are aware of the school's CP policy and procedures, and know how to recognise and refer any concerns.
- 3.1.10 Providing, with the Headteacher, an annual report for the Governing Body, detailing any changes to the policy and procedures; training undertaken by the Designated Senior Person, and by all staff and Governors; relevant curricular issues, number and type of incidents/cases, and number of children referred to Social Care and on the child protection register (anonymised).
- 3.1.11 Keeping themselves up to date with knowledge to enable them to fulfil their role, including attending relevant training, at least every two years, provided by the Buckinghamshire Safeguarding Children Board or the Safeguarding in Education Team.

4.0 Supporting Children

- 4.1 We recognise that a child who is abused, who witnesses violence or who lives in a violent environment may feel helpless and humiliated, may blame him/herself, and find it difficult to develop and maintain a sense of self worth.
- 4.2 We recognise that the school may provide the only stability in the lives of children who have been abused or who are at risk of harm.

- 4.3 We accept that research shows that the behaviour of a child in these circumstances may range from that which is perceived to be normal to aggressive or withdrawn.
- 4.4 Our school will support all pupils by:
 - 4.4.1 Encouraging the development of self-esteem and resilience in every aspect of school life including through the curriculum.
 - 4.4.2 Promoting a caring, safe and positive environment within the school.
 - 4.4.3 Liaising and working together with all other support services and those agencies involved in the safeguarding of children.
 - 4.4.4 Notifying Social Care as soon as there is a significant concern.
 - 4.4.5 Ensuring that a named teacher is designated for Looked After Children (LAC) and that an up to date list of children is regularly reviewed and updated. The Education of Children in Public Care (ECPC) Team must be made aware of all LAC in the school.
 - 4.4.6 Providing continuing support to a pupil (about whom there have been concerns) who leaves the school by ensuring that such concerns and school medical records are forwarded under confidential cover to the Head Teacher at the pupil's new school as a matter of urgency, a photocopy of these records should be kept in a confidential file.

5.0 Confidentiality

- 5.1 We recognise that all matters relating to child protection are confidential.
- 5.2 The Headteacher or Designated Senior Person will disclose personal information about a pupil to other members of staff on a need to know basis only.
- 5.3 However, all staff must be aware that they have a professional responsibility to share information with other agencies in order to safeguard children.
- 5.4 All staff must be aware that they cannot promise a child to keep secrets which might compromise the child's safety or well-being or that of another.

- 5.5 We will always undertake to share our intention to refer a child to Social Care with their parents /carers unless to do so could put the child at greater risk of harm, or impede a criminal investigation. If in doubt, we will consult with the Safeguarding Children in Education Team or Social Care on this point.

6.0 Supporting Staff

- 6.1 We recognise that staff working in the school who have become involved with a child who has suffered harm, or appears to be likely to suffer harm may find the situation stressful and upsetting.
- 6.2 We will support such staff by providing an opportunity to talk through their anxieties with the Designated Senior Person and to seek further support. This could be provided for all staff by, for example, the Head Teacher, by Occupational Health, and/or a teacher/trade union representative as appropriate.
- 6.3 We understand that staff should have access to advice on the boundaries of appropriate behaviour. The document “Guidance on Safe Working Practices for the Protection of Children and Staff in Education Settings” provides advice on this and the circumstances, which should be avoided in order to limit complaints against staff of abuse of trust, and/or allegations of physical or sexual abuse. These matters form part of staff induction and are referred to in the staff handbook.
- 6.4 We recognise that designated staff should have access to support (as in 6.2 above) and appropriate workshops, courses or meetings as organised by the LA.

7.0 Allegations against staff

- 7.1 All school staff should take care not to place themselves in a vulnerable position with a child. It is always advisable for interviews or work with individual children or parents to be conducted in view of other adults. (See also 6.3 above)
- 7.2 All staff should be aware of the school’s behaviour/discipline policy This can be found in policy folder in staff room and in the school office.
- 7.3 We understand that a pupil may make an allegation against a member of staff. If such an allegation is made, the member of

staff receiving the allegation will immediately inform the Headteacher or the most senior teacher if the Headteacher is not present.

- 7.3.1 The Headteacher/senior teacher on all such occasions will discuss the content of the allegation with the Local Authority Designated Officer (LADO) who is also the Safeguarding in Education Team Manager.
- 7.3.2 If the allegation made to a member of staff concerns the Headteacher, the person receiving the allegation will immediately inform the Chair of Governors who will consult as in 7.3.1 above, without notifying the Headteacher first.
- 7.3.3 The school will follow the LA procedures for managing allegations against staff, a copy of which can be found in critical incident folder in the school office.
- 7.3.4 Suspension of the member of staff against whom an allegation has been made needs careful consideration, and we will consult (as in 7.3.2. above) in making this decision.
- 7.3.5 Our lettings agreement for other users requires that the organiser will manage the suspension of adults where necessary from school premises.

8.0 Whistleblowing

- 8.1 We recognise that children cannot be expected to raise concerns in an environment where staff fail to do so.
- 8.2 All staff should be aware of their duty to raise concerns about the attitude or actions of colleagues. If necessary, they should speak to the delegated 'whistleblowing' Governor or the Lead Officer for Child Protection

9.0 Physical Intervention/Positive Handling

- 9.1 Our policy on physical intervention/positive handling by staff is set out separately, as part of our Behaviour Policy. It complies with DfES guidance on positive handling strategies (2001) and circular 10/98, 'The Use of Force to Control or Restrain Pupils'. This guidance states that staff must only ever use physical intervention as a last resort, eg. when a child is endangering him/herself or others and that, at all times it must be the minimal force necessary to prevent injury to another person.

- 9.2 Such events should be recorded and signed by a witness.
- 9.3 Staff who are likely to need to use physical intervention should be appropriately trained.
- 9.4 We understand that physical intervention, of a nature which causes injury or distress to a child, may be considered under child protection or disciplinary procedures.

10.0 **Anti-Bullying**

- 10.1 Our policy on the prevention and management of bullying is set out in a separate policy and acknowledges that to allow or condone bullying may lead to consideration under child protection procedures.

11.0 **Racist Incidents**

- 11.1 Our policy on racist incidents is set out in a separate policy and acknowledges that repeated racist incidents or a single serious incident may lead to consideration under child protection procedures.

12.0 **Prevention**

- 12.1 We recognise that the school plays a significant part in the prevention of harm to our pupils by providing pupils with effective lines of communication with trusted adults, supportive friends and an ethos of protection.
- 12.2 The school community will therefore:
 - 12.2.1 Establish and maintain an ethos, which is understood by all staff, which enables children to feel secure and encourages them to talk knowing that they will be listened to.
 - 12.2.2 Ensure that all children know there is an adult in the school whom they can approach if they are worried or in difficulty.
 - 12.2.3 Provide across the curriculum, opportunities which equip children with the skills they need to stay safe from harm and to know to whom they should turn for help.

14.0 **Health & Safety**

- 14.1 Our Health & Safety policy, set out in a separate document, reflects the consideration we give to the protection of our children both physically within the school environment and, for example, in relation to internet use, and when away from the school when undertaking school trips and visits.

15.0 Policy Review
